
individuals who will be able to assist our International Headquarters staff during our expansion efforts and serve as a more "geographically-located" resource for our groups. We seek those individuals who will be able to provide insight to the campus and Greek communities of the institutions at which we are expanding.

Currently, Theta Chi Fraternity has five colonies and three interest groups. The colonies are located at Georgia State University in Atlanta, Georgia; Radford University in Radford, Virginia; Johns Hopkins University in Baltimore, Maryland; Kansas State University in Manhattan, Kansas; and the University of Idaho /Epsilon Kappa, located in Moscow, Idaho. Our interest groups are located at Tennessee Technological University in Cookeville, Tennessee; the University of Massachusetts /Theta in Amherst, Massachusetts; and the University of Tampa /Epsilon Zeta in Tampa, Florida. Each of these groups could benefit from a wide range of assistance from alumni in their areas, or those with ties to the locations and institutions, no matter where they reside in the country.

I will take this opportunity to thank **Brothers Tom Meachum and Ernest Segundo** and the many other Epsilon Zeta Chapter alumnus members who have assisted us as we recolonize this fall at the University of Tampa. I also thank Brothers **Rich Partridge, Paul O'Connell, Phil Pietrowski, Eric Luftig**, and the many other Theta Chapter alumnus members who have provided a stellar exemplification of "Theta Chi for Life" as we recolonize this fall at the University of Massachusetts. So many of you have given of your time or knowledge, and we definitely search for more alumni to continue that tradition.

Theta Chi Fraternity will continue to build new chapters across the country just as it has done for 145+ years. We look for our alumnus members to join us in that process. Anyone with insights to our current groups, prospective campuses, or of students interested in investigating formal association with Theta Chi as a colony/interest group member is encouraged to contact the International Headquarters by phone (317-824-1881) or by e-mail at ihq@thetachi.org. ■
