

GOT SCHOLARSHIP?

By Cathie Morgan,
Foundation Chapter staff member

Well, the Foundation Chapter does and it is eager to give them away! Mark your calendars to apply for the Blue and Slivinske Scholarships for the 2005-2006 school year!

This year, the Foundation Chapter awarded a total of \$55,500 in scholarship money to brothers across the nation. Thanks to endowments received from Brother Sherwood Blue (Alpha Iota/Indiana University '26) and Brother Dale Slivinske (Gamma Sigma/Duke '68) and supplemented by contributions received from brothers on an annual basis, these awards are available to Theta Chi's in undergraduate or graduate school.

Pictured here are scholarship recipients for the school year 2004-2005. Congratulations to these outstanding Theta Chi's and to their local chapters for providing an environment that encourages such high achievement in scholarship and community service.

Applications for next year's scholarship awards will be mailed from the Foundation Chapter to each chapter's secretary in February, 2005. They will, also, be available online to be printed and returned to the Foundation Chapter by interested brothers.

Don't let this opportunity pass you by!
