Chapter Eternal Correction

[Editor's Note: The staff of the Fraternity's International Headquarters is advised of the deaths of our brothers by many means, and individual records within the Fraternity's data base are appropriately updated with that information. The Chapter Eternal feature has the Fraternity's data base as its source. Occasionally, a brother advises the IHQ that he is in fact not yet in the Chapter Eternal, as was reported in a previous issue of The Rattle. We are always glad to hear that a brother is still with us, and we regret that we said he died, when, in fact, despite what we were told, he is alive. Fortunately, such experiences are rare, and are almost always corrected with a sense of much-appreciated humor on the part of our still-living brother. All agree that a correction in the next issue of The Rattle is called for.]

Thomas A. Irvin (Epsilon Phi/Central Missouri State '76) and Herbert E. Clark (Alpha Psi/Maryland '49) were reported as having entered the Chapter Eternal in the Fall, 2003 issue of *The Rattle*. We are pleased to report that they contacted us and let us know that they didn't. Thank you, Brothers!
