

# Alumni, Individuals, Businesses Invited to Become Hole Sponsors for July, 2004 Phoenix Golf Outing

By El Ahlwardt

Alumnus members of Theta Chi Fraternity, and the many friends and business associates of the Fraternity, the Foundation Chapter, and the Norwich Housing Corporation, are once again invited to become hole sponsors for the Fraternity's upcoming Annual National Golf Outing.

This coming July, alumnus members of Theta Chi Fraternity, friends, and business associates will reconnect during a terrific round of golf and morning of fellowship at the magnificent Pointe Golf Club on Lookout Mountain, located at the Pointe Hilton Tapatio Cliffs Resort in Phoenix, Arizona. Memories will be made, past successes embellished greatly, and many laughs will be shared, as they have been at the past 16 such events.

**Hole sponsors will be highly visible through recognition signage placed at the golf course's tee boxes, as well as around the practice green before the event begins. Recognition of all hole sponsors will be provided in the Fall, 2004 issue of *The Rattle*.** The magazine is mailed to more than 32,000+ recipients, including undergraduate and alumnus members of Theta Chi around the world, college and university administrators at all campuses with Theta Chi chapters, and many friends of the Fraternity.

All tax-deductible hole sponsorship monies become part of the endowed Slivinske Scholarship Fund, one of several endowed funds within the portfolio of the Fraternity's public foundation, the Foundation Chapter of Theta Chi Fraternity, Inc. *Hole sponsorship contributions have been the single largest annual factor in increasing the endowed Slivinske Scholarship Fund for the past seven years.* Using investment income from that fund, the Foundation's Board of Directors awards numerous individual \$500 academic scholarships annually to undergraduate members of the Fraternity. Each Winter/early Spring, undergraduate members of Theta Chi Fraternity apply for the scholarships that are awarded on a competitive basis by a scholarship selection committee.

Interested individuals, groups, and businesses are invited to complete the entire Hole Sponsor Registration Form and send it, with their fully tax-deductible contribution, to El Ahlwardt, Director of Development, 3330 Founders Road, Indianapolis, IN 46268-1333 by no later than June 14th, 2004. Thank you.
