

Chapter Eternal

We have been honored to call these men our Brothers. The condolences of Theta Chi's extended worldwide family are offered to the family and friends of our deceased brothers. *In large part, the following list is extensive due to membership updates associated with recent research for the membership directory that will be printed this fall.*

November 8, 2005 Correction: Since publication, we have learned that Edward R. Smith, Jr. (Tau/University of Florida '91) has not joined the Chapter Eternal (page 30) as we were led to believe by sources thought to be reliable.
