

# Campaign for Leadership Update

By Warren Hoffman (Alpha Iota/Indiana '76), Campaign Co-Chairman

Last Fall's issue of *The Rattle* introduced the Campaign for Leadership to you as a national fund raising effort to reduce the cost for undergraduates to attend the 150th Anniversary Convention at Norwich University in June of 2006. We are pleased to report that we continue to get strong support from our alumni for the Campaign.

The Big Brother Challenge is an opportunity for alumni to make an individual \$300 contribution, which is representative of a typical registration fee. Our goal is to have 100 Convention Big Brothers. As you can see from the list below, we have 62 so far.

The Chapter Challenge is an opportunity for a group of chapter alumni to get together and make a single collective contribution of \$1 for

each initiated member of their chapter (i.e. 500 total initiates would mean a contribution of \$500). Our goal is to have 75 chapters participate. As you can see from the list below, we have 35.

This is a great start, but we still have a ways to go, and we need your help.

Please contact us at [campaignforleadership@thetachi.org](mailto:campaignforleadership@thetachi.org), 317-407-8049, or mail your contribution to Campaign for Leadership, 3330 Founders Rd, Indianapolis, IN 46268.

Our sincere appreciation to those brothers and chapters listed below for their support; we hope we can add your name and/or chapter to the list.
